

## RAJA

### FICHE TECHNIQUE PRODUIT

---

#### PRODUCT SPECIFICATION

---

- Raja Référence: **PFDB48**
- Description : **corrugated packaging with 2 adhesive stripes**
- Product colour : **brown/brown**
- Custom clearance reference :
- External size (LxWxH) : **338x248x158mm (LXBXH)**
- Internal size (LxWxH): **330x240x150 mm (LXBXH)**
- Size when flat : **1215x636mm (LXB)**
- Volume of product in dm3 (external) :
- Printing - Type : **Flexo**
  - Color : **black**
- Tare (kg) : **ca. 239g**  
Tolérance: **+/-20%**

---

#### BOARD SPECIFICATION

---

- Type of fluting : **D**
- Thickness : **2,2mm**
- Board thickness :

## PACKAGING & PALETTISATION

### • PACKAGING

| Type of packaging | Quantity per pack | Pack dimensions (LxWxh) : (mm) | Pack tare (g) | Number of strap | Wrapping film |
|-------------------|-------------------|--------------------------------|---------------|-----------------|---------------|
| PFDB48            | 20                | 570x400x180                    | 4780          | 1               | Yes           |

### • PALET :

| Quantity per pallet         | Number of packs per pallet | Pallet tare (Kg) | Layers per pallet |
|-----------------------------|----------------------------|------------------|-------------------|
| 800                         | 40                         | 206,20           | 10                |
| Pallet size : 800x1200x1800 |                            |                  |                   |
